POLISHED, and
POWERFUL
to achieve greater success
in all that you do?

Then we're ready to get you there!

Milo Shapiro
Public Speaking Skills Coach

“Fear of public speaking is not a phobia for most people. It’s a totally
rational response to being asked to do something you haven’t been
trained to do. Don’t work on the fear; learn to create great material
and speak well. Then watch the fear turn into excitement!” - Milo Shapiro

Classes are never geared to what YOU most need to learn. Toastmasters is
great, but a slow way to learn and rarely give you much chance to practice the
material you plan to give outside Toastmasters. Coaching is all about getting
you where you want to be – fast and effectively.

Since 2004, Milo has worked with hundreds of people, helping them reach their
goal to be “Prepared, Polished, and Powerful” every time they speak.

From engineers to lawyers, from CEOs to sales reps, from architects to soldiers,
Milo helps you shine in front of your audience – be it nine or nine hundred.

Milo ties together solid speaking fundamentals with his 20+ years as an improv
performer to enliven your speaking abilities, just as he does in the fun, improv-
based keynote speeches and team building events shown on his website.

“Milo, you took me from fear in speaking to my co-
workers to delivering powerfully and confidently
to admirals, congressmen, and White House staff. Our
coaching together changed the trajectory of
my career. Thank you!!!”

- Ellen Motoi,
U.S. Coast Guard
